

Join Us for the Jewels, Intl. Chelan, Washington Rally

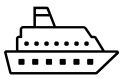

September 14th thru 19th 2025

The Area: Come visit the **Lake Chelan Valley** where you'll experience a 50 mile long glacier-fed lake surrounded by vineyards, mountains and small town charm. Located in North Central Washington apple country, with a unique climate featuring 300 days of sunshine, the glacial soil produces some of the lushest and most flavorful fruit in the Pacific Northwest. Enjoy the feeling of an Oasis in the Desert where wineries, dining, recreation and exploration are plentiful. Fall Harvest is the optimal time to visit as the foliage is hued in oranges and reds, wineries are harvesting, crushing and the wine is flowing.

Arrival Day: You will be greeted with a surprise beverage from C3-Corral Creek Cellars, a swag bag, treated to a **Welcome BBQ** from Stobb's Smoke Shack and live entertainment to round out your day.

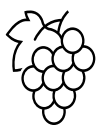

Dinner Cruise: An unforgettable sunset evening cruise on beautiful Lake Chelan. Enjoy a private charter with a custom dinner catered just for you. Eat, drink and dance the night away on Chelan's Lady of the Lake.

Bavarian Village: You will visit Leavenworth, WA, a Bavarian themed village packed with BEER, charm, great food, unique attractions, activities and is nestled in the picturesque Cascade Mountains. It's an experience that will leave you saying, Holy Schnitzel!

Sorrento's Ristorante at Tsillan Cellars: Named one of the Top Scenic View Restaurants in America.

Enjoy an elegant evening featuring American and Italian dining options at one of the largest Wineries in Chelan overlooking the lake. Enjoy a glass of Estate Tsillan Cellars Wine in their exquisite tasting room, out on the patio feeding the koi fish or simply enjoying the views Lake Chelan and the surrounding mountains offer.

Winery Tours and Tasting: We will arrange tours to a few of the over 40 Wineries located in the valley, visit vineyards, production facilities and tasting rooms. Get ready to sip, sip, sip!

Columbia River Dam Tour: See how **Salmon** travel the river while the large **Hydro-electric** plants operate in harmony. Includes a stop by **Salmon fish hatchery**

Rally Registration now open: Contact the Smith's with your \$500 deposit to reserve your spot for the Rally! Space is limited to 21 coaches! (more info coming soon)
